### **DETAILED ACTION**

Claim 58 is objected to because of the following informalities: There are capital letters at the beginning of paragraphs 2 and 3. They should be lower case. Appropriate correction is required.

### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 53-57 and 59 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by EP 0976627.

### ***Allowable Subject Matter***

Claims 1-52 are allowed.

Claim 58 would be allowable if the minor informalities are corrected.
